## **MICK MCGILL JOINS GOOD LIFE FINANCIAL ADVISORS**

**READING, PA – January 7, 2019** – Good Life announces a new partnership with Mick McGill, a Reading, PA-based Financial Advisor previously with Morgan Stanley.

“Mick will be a great addition to the local Good Life Financial Advisors office, allowing us to expand our advisor base and continue to serve the community of Berks County,” said **Courtnie Nein, Co-Founder and President at Good Life**. “We look forward to helping Mick grow his business.”

Mick started off in the US Marine Corps in 1976 and went on to follow his passion of Electrical Engineering and Technical Management, and spent several years working within that industry. After graduating with a master’s degree in Business Administration, Mick found his true calling as a Financial Advisor in 2011. Mick’s first priority is to understand his prospects present needs and their ultimate future goals, whether they want to save for retirement, their children or grandchildren’s college or their long-term health or estate funding needs. Being personally involved in someone’s financial decisions allows him to develop enduring friendships, which is his personal goal for every relationship started with new clients. As an independent advisor working with Good Life and LPL Financial, I’ll be able to build Client Relationships without the distractions of monthly sales goals required by the big financial institutions.
